

**Summary of Supervision Requirements Based on 5th Edition Task List
Of Behavior Analyst Certification Board®**

	Independent Fieldwork	Concentrated Fieldwork
Total hours	2000	1500
Contacts per cycle (at least 15 minutes each)	4	6
Minimum percent of time supervised	5% of hours per cycle	10% of hours per cycle
Observations	At least one observation per month (not considered a contact, but can be back-to-back with a contact)	
Cycle	Monthly (minimum 30 hours per month, maximum 120 hours per month)	
Unrestricted hours*	At least 60% of total hours must be unrestricted hours over the course of all supervision	
Group supervision, if utilized	No more than 50% of supervision time can be in group format per cycle (month)	

Table based on BACB® Experience Standards as of November 2020.

*When completing unrestricted hours, **all experience/fieldwork hours need to be connected to specific clients**; using analog or role-play activities that are not client related does not qualify. See www.SupervisorABA.com for a list of suggested unrestricted activities. Also see August 2020 BACB® newsletter page 9 for more information.
